

Bashir, Khuram

I am Khuram Bashir, director of the Bible College here in Faisalabad, Pakistan. I am twenty three years old and have been involved in ministry since I was very young. Although I am young, I am educated and teach at the local college. We presently have about thirty five students in our college and hope to see many more attend.

I received the Mighty God in Christ revelation about eight months ago while speaking to Dr. Baumeister on the internet. I received the baptism of the Holy Spirit six months ago in a prayer meeting while earnestly seeking for a couple of weeks. A few months ago, I received the revelation of Baptism in Jesus Name and I was baptized January 25, 2009.

I am presently preaching in the surrounding villages namely, Ali Pur Chattha, to small Christian churches and I am spreading this wonderful truth of Jesus Name baptism and one God. I have translated Dr. Nathaniel Wilson*s book, Christology, and various other Bible studies. We now have two churches that believe in Acts 2:38 Doctrine.

I am very eager to work for the Lord.

Thank you for your prayers and financial support. Pray for Pakistan that we may win many other churches.
