

Bucio, Canuto

I am Pastor Canuto Bucio, born on January 19, 1944 at Anoling, Candijay, Bohol. I graduated my elementary level at Anoling Elementary School, then proceed to high school. Unfortunately I could not finish my fourth year due to my illness.

I was baptized in the name of Jesus on March 14, 1974 and received the baptism of the Holy Ghost on February 12, 1975.

I was married to my wife Irene Deloso on May 15, 1975. God has used her as an instrument for me to become His servant.

I received my ministerial license in 1989 and began pastoring at UPC Luan, Candijay, Bohol.

We are planning to buy musical instruments and finish our church building. It is our prayer that God will meet our needs.

Please include us in your prayers. God bless you all.
