

Geguinto, Romy

I am Pastor Romy Geguinto. I was born December 28, 1970 in Barangay Captain Ramon Silay City Negros Occidental. At the age of 14 my grandmother brought me to Bohol. In 1992 I became a member of the Latter Day Saint Church. I was active in my new faith, until I found the true church, the apostolic doctrine. On August 17, 1997 I was baptized in the name of the Lord Jesus Christ by the late Pastor Charlie Bolotaolo.

In 1998 I went to Davao City to attend bible school at the Apostolic Institute of Ministry. After graduation Pastor Wellina Reyes allowed me to hold their daughter church in Dauis, Bohol. In the same year I received my local license under the United Pentecostal Church Phillipines.

I now pastor in Poblacion Sikatuna, Bohol. The Lord blessed me with a good wife Sis. Precy Comoylo. She is a great help to me in the ministry and I have four children. The work in Sikatuna Poblacion is growing. We were able to buy a piece of property through the effort of the brethren and a benevolent brother. We are praying that God will provide for our next project, the church building. Currently we are rent an old house where we conduct our church worship and services.

Thank you very much. May the Lord richly bless you all.
