

Giron, Luis

I am Luis Giron Jr. I have been pastoring in El Salvador for over seventeen years. I am the presbyter of our district. Our church has had an incredible growth spurt in the last three years. Our present plan is to plant a church in the city of Santa Ana which has a population of 270,000 people. It is very needful since we do not have a church in this part of the city. We are excited about this opportunity.

I am married to Heidi and have one son, Luis, and two daughters, Susana and Raquel.

Thank you for your prayers and financial support. Pray for Santa Ana that we may see great growth this year.
