

Mendez, Marco

I am Marco Tulio Mendez. I have been pastoring in El Salvador for over twenty seven years. I am the Vice-President of our organization. I am very involved in planting new churches. Our present plan is to plant a church in the city of Sonsonate that has a population of 150,000 people. It is very needful since we do not have a church in this city. We are excited about this opportunity.

I am married to Mirtala and have one son, Oscar, who will take over my present church as I work on planting this new church.

Thank you for your prayers and financial support. Pray for Sonsonate that we may see great growth this year.
