

Mollon, Reynaldo

I am Reynaldo Mollon. I was born October 28, 1973 in Sagabat, Agusan del Sur, Philippines. On November 7, 1994 I was baptized in the name of our Lord Jesus Christ at Philippine Evangelistic Center under Pastor Celedonio Ompad. Then I studied at ACTS Bible College for one year as a night school student. Afterwards, I became a church worker for six months.

From 1997 to 2007 I was an OFW working in Saudi Arabia as a personal assistant of HRH for Prince Faisal Bin Turkey Bin Abduhaziz. There I felt God's calling on my life to preach the word of God. In Saudi Arabia, where God's word is not allowed, I found myself preaching the Gospel because of God's love in my heart.

When I came back home to the Philippines, the burden in my heart grew. I decided to assume a church in Daus, Bohol and not return to the Kingdom of Saudi Arabia. I chose to work in the Kingdom of the King of Kings and the Lord of Lords.

I recently received my license under the United Pentecostal Church, Philippines. I'm working in Daus, Bohol, Philippines. Daus is another town of Panglao Island, Bohol. I am praying that God will open a door for me in Panglao. Panglao is a productive tourist area of Bohol province. There is not an apostolic church here. Include us in your prayers that the Lord will prosper me in this place.

Thank you very much. May the Lord continue to bless you all as you continue to bless the lives of others.
