

Nino, Aladin

I am Pastor Aladin Nino, born January 13, 1976 in Davao City. I was converted, baptized in the name of our Lord Jesus Christ, in August of 1990. In 1995 while working as a security guard, I dreamed that I was preaching the gospel. The Lord touched my heart with a burden and as the burden grew I enrolled in the Apostolic Institute of Ministry in Davao City. I graduated in 1998. After graduation I married Sis. Rowena Maputol, my classmate in Bible School. The Lord has blessed us with

four children.

Sis. Rowena is from Bohol. Upon a visit to her parents we decided to stay and pastor the saints in Talibon Bohol. We pastored in Talibon for two years. We later transferred to Dagohoy Bohol. After 8 years of labor, the Lord bless, we have an average attendance of 120. The church building was not able to accommodate the growing congregation. We began an expansion of the church building and are still in the construction process.

Every Sunday the saints pray and fast believing God for His provision and for His move in our life, knowing He has all the answers for our every need. May God richly bless you as you include us in your prayers for a greater revival in our place and more conversions of souls in Jesus Name.

Thank you so much.
