

Pergamino, Daniel

I am Pastor Daniel Pergamino, born September 18, 1964 in Sitio Mapurok, Alamada, North Cotabato. I was born into an apostolic family. I was baptized in Jesus Name in 1976 by Pastor Lorenciano and continued to serve God faithfully. In 1998 I married Nilda Rara from San Isidro, Sierra Bullones, Bohol. We have four children.

In 1998, I enrolled at Apostolic Institute of Ministries because I felt God's call in my life. I got my local license as a minister in 2003. I started a work on Quaming Island, one of the islets in Bohol. I transferred back to the mainland for the welfare of my children. Now we are living in Poblacion Norte, Carmen, Bohol where I now pastor.

I am praying that God will continue to use me in His vineyard till He comes and provide for all our needs. Praise the Lord!

God bless you more as you include us in your prayers.
