

Prieto, Magdalino

I am Magdalino Prieto, born May 25, 1948 at Sikatuna Bohol. I was converted in Tugearao Cagayan November 8, 1982. Our family was the first apostolic believers in Delfin Quirino Province. As the church grew I was appointed as a Sunday school teacher. My whole family is serving the Lord faithfully and I am blessed by the Lord. My three children are all graduates in bible school and are licensed ministers in UPC Philippines.

In 2002 I decided to go back to my birthplace in Bohol Province. I saw the needs of the people. I asked Pastor Taculad if I could help him work in the church. They have a daughter church in Catigbian Alegria. He trusts me to handle the church since it is far from their place. We have a regular service every Sunday; we also have prayer meetings and home bible study. Glory to Jesus! The Lord is adding souls in our church.

Since we are the first apostolics in the area we suffered many persecutions. They have stoned us while we were having church and threatened us. The new converts are not afraid; it gives us more courage to keep on preaching the gospel.

Include us in your prayers that the Lord will provide a place of worship for us. Thank you so much. God bless you.
