

Rara, Samson

I am Samson Rara, born August 25, 1983, at Sierra Bullones Bohol. I recently graduated in the bible school at Apostolic Institute of Ministries. A missionary sponsored my schooling at the bible school. I received my license June 2002.

I grew up near the church. My parents are farmers. At an early age I helped them work on the farm. Every time I had a chance I spent time in the church, desiring someday to be a preacher of the Word of God.

Today I'm helping my pastor in the church serving as the associate pastor in Sierra Bullones. Some of the pastors in Bohol invite me to preach in their churches. It is a starting point; working in other place until I can have my own work. My pastor and I are looking for a place to rent where we can start a church and have a place to worship.

I'm praying that the Lord will make a way for me to be able to rent a place so we can gather the people for church services.

Thank you very much. Include me in your prayers that the Lord will bless me and prosper my way as I take the road in the ministry.
