

Taculad, Sofia

I am Sofia Ocho Taculad presently working in Sikatuna Hilltop Church. I was born on September 30, 1953. My parents are Ireneo Ocho and Honoria Jamoner. I took my elementary grades in our Barangay Cambuac Sur and proceed high school in Loboc Bohol. I took college in Tagbilaran City but was not able to finish my course due to financial needs. Then I received baptism in the name of Jesus July 4, 1975.

One year after I enrolled in Bible School in Makati, Manila. After I returned home and help our pastor until 1978 I was married to Pastor Nestor Taculad. Despite the trials the church grows and we have an average attendance of 100. God continued to pour out His blessings and souls were added. Since our church building cannot accommodate any more, we made an extension and the work is going on more than 2 years. Due to financial problems, because of doubts and typhoon, we are very much in need of financial help for the completion of the building.

Pastor Taculad focuses his time in Catigbian while I take care of the church here in Sikatuna.

Please pray for us that God will bless us abundantly.
